BULLETIN NO. 90-02

TO THE HEADS OF DEPARTMENTS AND AGENCIES

SUBJECT: Notification of Effective Date for
New Restrictions on Lobbying

Today the President signed into law the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990 ("the Act"). Section 319 of the Act amends title 31, United States Code, by adding a new Section 1352, entitled "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions."

Section 1352 generally prohibits recipients of federal contracts, grants, loans, or cooperative agreements from using appropriated funds for lobbying in connection with the contract, grant, loan, or agreement. Section 1352 also requires that each person who requests or receives a Federal contract, grant, loan, or cooperative agreement, or a Federal commitment to insure or guarantee a loan, must disclose lobbying undertaken with nonappropriated funds.

Section 1352 takes effect with respect to Federal contracts, grants, loans, cooperative agreements, loan insurance commitments, and loan guarantee commitments that are entered into or made more than 60 days after the date of enactment of the Act. Section 319 requires the Director of the Office of Management and Budget to notify all agency heads that Section 1352 is to be complied with commencing 60 days after the date of enactment. Accordingly, you are hereby notified that Section 1352 is to be complied with commencing sixty days after today.

Pursuant to Section 319, the Office of Management and Budget will be issuing implementing guidance within 60 days.

Director
